CORE COMPETENCE

AIOps & Product Strategy: Generative AI (LLMs), Agentic Workflows (CrewAI), VS, Antigravity, Langchain, RAG Pipelines, Product Lifecycle Management (MVP to Scale), Agile/Scrum, User Story Mapping.

Data & Analytics: Data Harmonization, Quantitative Financial Analysis, Process Mining (Celonis), KPI Definition, SQL, Python for Data Science.

Enterprise Governance: AI Governance & Ethics, Risk Management (CGEIT), Regulatory Compliance, Vendor Negotiation, IT Cost Optimization.

Enterprise Platforms: Google AI Studio, ServiceNow (ITSM, ITOM), SAP S/4 HANA, AWS, Google Cloud, Microsoft Power BI, Azure/Cloud Infrastructure.

PROFESSIONAL EXPERIENCE

FINTECH STARTUP | *Switzerland* AI Technical Advisor & Architect |

2024 – Present : Leveraging cutting-edge Agentic AI to democratize quantitative financial reasoning.

- **Product Vision & Execution:** Defined the roadmap, data strategy and orchestrated the development of a multi-agent AI system capable of autonomous financial reasoning, moving from concept to MVP.
- **Technical Implementation:** Designed **Chain-of-Thought (CoT)** prompting strategies and **Retrieval-Augmented Generation (RAG)** pipelines to enable the LLM to solve complex, multi-step financial problems with high accuracy.
- **Agentic Workflow Design:** Architected a Gemini AI system where specific agents (Researcher, Analyst) collaborate to perform technical and fundamental analysis on >2,000 stocks daily.
- **Optimization:** Balanced token costs vs. performance by fine-tuning prompts for Gemini and CrewAI frameworks, ensuring a commercially

studio, Crew AI, Gemini, Visual Studio

SKILLS / STRENGTHS

- IT service management (ServiceNow, BMC etc)
- Agile (SCRUM) methodology
- Business relationship management
- Leadership & team development
- Business case preparation
- Strategy design & execution
- Vendor negotiations & offshore development
- Process consolidation and optimization
- Organizational change management
- Post-merger integrations
- Training and people management
- ERP implementation

REFERENCES

MSC CRUISES (via Infosys Consulting) | Switzerland Consulting Sales with PMO & Governance | 2024

- **Strategic Portfolio Optimization:** Led a consulting engagement for application portfolio rationalization. And establishing a new PMO governance framework to deliver 15% optimization.
- **Consulting & Selling SAP services:** Established ERP PMO to manage existing SAP implementation and external partners along with selling Infosys SAP services to deliver program success.

INFOSYS CONSULTING AG | Zurich, Switzerland Retail M&A Sales Strategy | 2023 – 2024

- **Merger Methodology:** Established task force to refine Mergers, Acquisitions, and Divestitures strategy to support Sales teams in Switzerland, creating the artifacts and data migration playbooks and other sales presentation to capture clients in Switzerland.

BRITISH AMERICAN TOBACCO (via Infosys Consulting) | UK Product Owner – Intelligent Automation & Supplier Platforms | 2022 – 2023

- **Digital Product Strategy:** Owned the "Global Supplier Portal" product vision, managing the backlog and coordinating sprint teams to enhance engagement for **13,000+ global suppliers**. <https://www.batsupplier.com/csm>
- **AI & Analytics Integration:** Up selling of IT services leveraged **Process Mining (Celonis)** and early AI-based chat solutions to analyze procurement data, identify bottlenecks, and improve User Experience.
- **ROI Delivery:** Achieved **300k GBP in annual efficiency savings** by automating supplier interaction workflows and streamlining financial data exchange.

RASOL SOLUTIONS | Switzerland Entrepreneur & Product Owner | 2019 – 2022

- Developed and launched a bespoke ERP/CRM mobile and web application for small businesses, enabling structured, data-driven management and mobile curriculum delivery during the COVID pandemic.

DUFREY AG (Now AVOLTA) | Switzerland Head of IT Governance & Data Strategy | 2014 – 2019

A period of rapid growth involving the integration of Nuance and WDFG, focusing on data harmonization, financial control and process automation.

- **Global Process Maturity (2016 – 2019):**
 - Standardized global data consumption processes for Capex/Opex, establishing a "Single Source of Truth" for IT spending.
 - Implemented rigorous governance aligned with **COBIT & CGEIT**, creating the control frameworks that are now essential for AI/Data compliance.
 - **Data Insight:** Enabled real-time quantitative tracking of process performance, moving the organization from manual reporting to automated, system-driven insights.
- **Post-Merger Integration Lead (2014 – 2018):**
 - **Data Harmonization:** Led the IT integration for the WDFG (\$3.5Bn) and Nuance (\$1.5Bn) acquisitions. Successfully rationalized the application portfolio, consolidating disparate data silos into unified enterprise systems.
 - **Synergy Realization:** Delivered **CHF 120Mn in IT synergies** and reduced operational costs by **CHF 70Mn+** in the first year through aggressive vendor consolidation and infrastructure optimization.

DUFREY AG (Now AVOLTA) | Switzerland Head of IT Governance & Data Strategy | 2014 – 2019

- **ServiceNow Product Owner (2014 – 2019):**
 - **Workflow Automation:** Led the enterprise-wide implementation of ServiceNow (ITSM/ITOM/ITBM), automating 20+ key business processes across IT, HR, and Finance.
 - **Cost Transparency: Achieved 100% visibility into IT service costs, enabling a 30%**
 - **Reduction in operational spending** through data-driven resource allocation.

PREVIOUS EXPERIENCE

- **Dufrey AG (now AVOLTA) Switzerland Project Manager (ERP Rollout), (2012–2014) – Oracle Finance & Retail implementation.**
- **Novartis (via Infosys) Switzerland Service Delivery Manager (SAP), (2008–2010) – Managed strategic SAP accounts across 5 European countries.** Responsible for Account growth and up selling of IT services.
- **Johnson Controls (via Infosys) USA & UK Engineering Manager, (2000–2008) – Global Product design and launches, Engineering head, Six Sigma design optimization. Enabled new engineering service lines and enhanced business growth in automotive sector.**

EDUCATION & CERTIFICATIONS

- **Diploma in Digital Excellence** | IMD Business School, Lausanne (Ongoing)
- **Master of Business Administration (MBA)** | Copenhagen Business School (2012)
- **Bachelor of Engineering** | Pune University, India (1998)

Certifications:

- **CGEIT** (Certified in the Governance of Enterprise IT) – *Critical for AI Risk/Compliance*
- **SAFe 6.0 Agile**
- **PMP** (Project Management Professional)
- **ITIL V3 Professional**
