- Continual service improvement initiatives based on global customer surveys and reviewing IT SLA and KPI performance
- Periodic service and project management review across all global IT services

IT Finance & Controlling

- Responsible for global IT budgeting and controlling process in alignment with Dufry finance and controlling guidance
- Defined and implemented global IT cost transparency and intercompany charging methodology and process to ensure tax efficiencies for the group
- Supported in External financial Audits for IT related topics
- Periodic IT cost tracking and reporting, supporting changing IT priorities
- Responsible for global IT Budget consolidation, review with management and alignment with business priorities

Management Initiatives

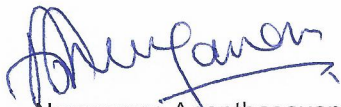

- Coordinated for IT synergy realization and planning for two major acquisition mergers
- IT Vendor contract review, identifying opportunities to optimize and improve
- Training and knowledge article creation, to improve adherence to standard policies and procedures for IT community

Mr. Sharma approached his work with great commitment and proved to deliver in due time even under great pressure. We got to know him as a very structured, and independently working employee with a high sense of duty. He accomplished his duties in a well-structured and reliable manner and delivered good quality results.

Mr. Sharma's behaviour was always very well-mannered and cooperative. Line managers, colleagues and customers appreciated his very open and friendly personality. He showed strong commitments in time and effort on occasions when needed such as budget periods.

Mr. Sharma is leaving our company on 31 October 2019. We would like to thank him for his contribution during his time with us and wish him all the best and much success for his future endeavours.
