

Program Overview

You're in the right place if...

You spent months pitching to investors only to be ghosted or writing endless grant applications that result in rejection.

This takes a toll on your morale and diverts your energy from your growing your business.

... or are a senior executive looking to

Transform your career transition into opportunities for growth and purpose.

Through a 90-day fractional leadership assignment with startups or NGOs, you contribute to meaningful projects while gaining clarity, resilience, and momentum for your next chapter.

“A goal is a dream with a deadline”

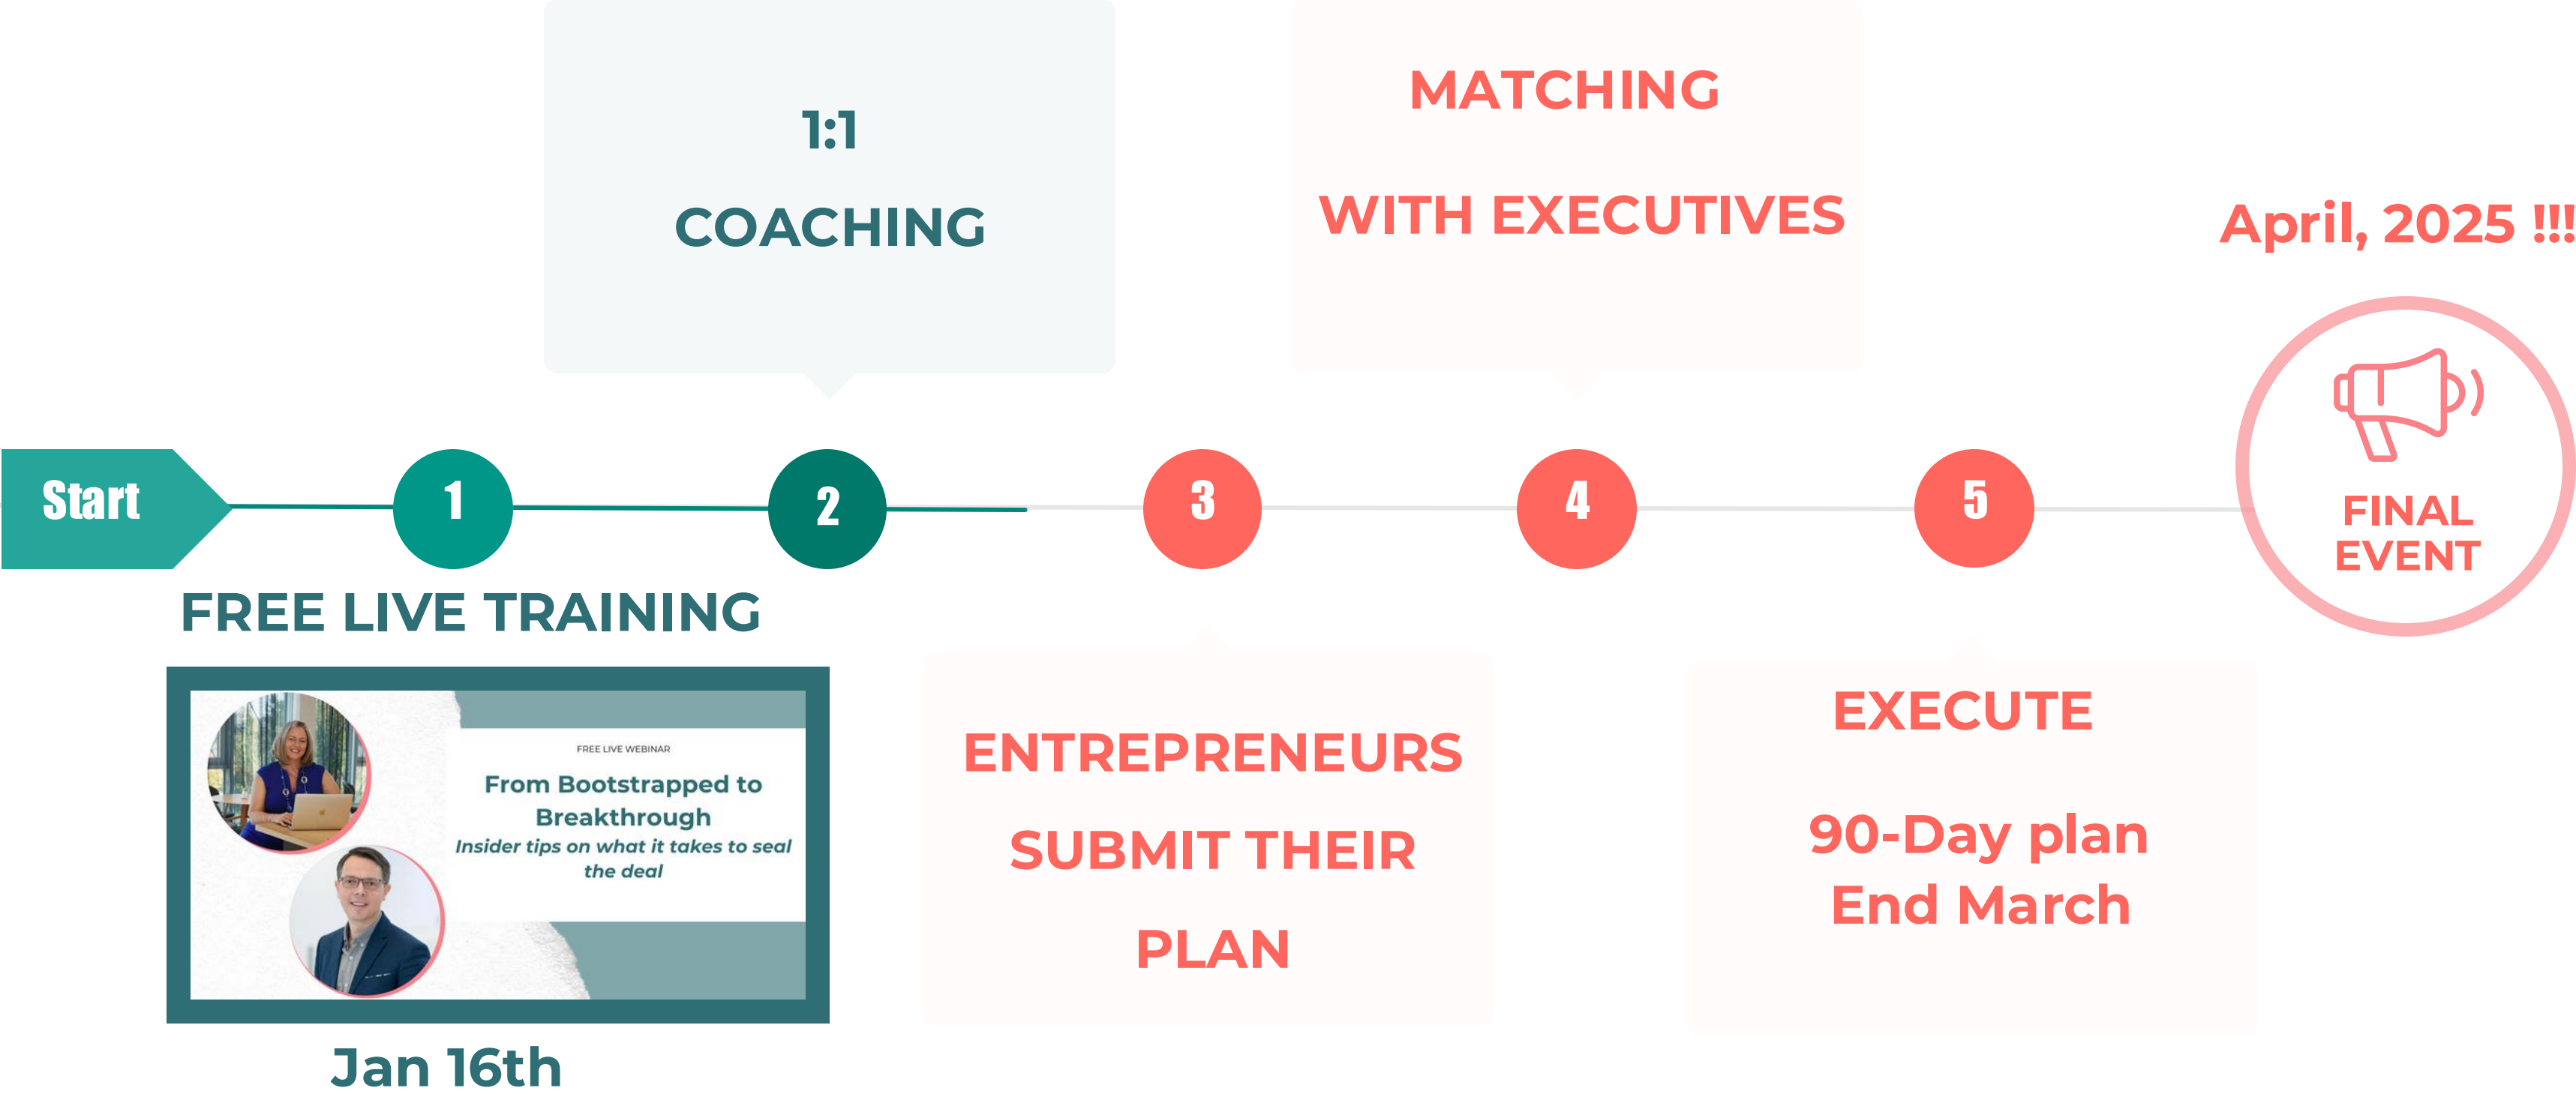

Napoleon Hill

Your 90-Day Plan: From Vision to Action

Goals are meaningless without a plan. A good 90-Day plan helps break down goals into actionable steps, measurable milestones, and consequently daily actions.

A three-month horizon balances urgency and feasibility for real progress.

Time For Impact 90-Day plan

FREE 30min Coaching Call To Draft Your Plan

Start-up plan

Executive plan

“

Time for Impact connected me with the inspiring work of Shared Med Swiss, where my expertise in healthcare transformations, equity and access can help drive sustainable, impactful solutions for reducing medicine waste and improving access.

Meghna Joshi-von Heyden

“

Being part of the ***Time for Impact program*** has helped us refine our vision, and matched us with Meghna a senior executive, and global health Pharmacist, whose expertise was exactly what we needed to take Shared Med Swiss to the next level.

Janos Karovits
